Testimony for EDN on Mar 20, 2015 14:00PM in Conference Room 309

Submitted By	Organization	Testifier Position	Present at Hearing
kelley puuohau	State of Hawaii-Dept. of Education	Comments Only	Yes

Comments: Offering comments, The Department is in the midst of analysis of this matter. Changing the geographic boundaries for any one school has an effect on neighboring schools within the Honolulu District. Continued analysis will require consultation with community stakeholders and School Community Councils of various high schools in Honolulu. In addition, Kaimuki High School is working on programmatic improvements that will decrease the number of parents from the Kaimuki High neighborhood that request geographic exceptions to attend other schools on the island.
